

Private Motor Truck Council of Canada  
Association Canadienne du Camionnage d'Entreprise

## IMPORTANT NEW BENEFIT FOR PMTC MEMBERS

The Private Motor Truck Council of Canada has just negotiated preferential pricing for a new service that will compliment your corporate responsibility practices while adding an enhanced level of due diligence to your current compliance efforts, at very little cost.

PMTC Members now have access to every provincial and territorial license database through Canada's only national, 24/7, Real-Time Driver's License Status and Class Reporting tool ("DLV") provided by VerX Direct Corp.

The service was tested by fellow PMTC members prior to this offering and each confirmed that it works as promised.

With immediate implementation you can ensure that you comply with the new vehicle impoundment rules that came into effect December 1, 2010 – it's now more important than ever to be checking the validity of drivers' licences frequently!

Here's what current users are saying:

- *"I sent the drivers list in and it was back to me within seconds."*
- *"For a minimal cost we can now be certain that we have done our due diligence and that all of our drivers are properly licensed."*
- *"VerX Direct is a quick & easy way to increase the security of our fleet"*

Within seconds and a couple clicks of a mouse you can confirm the licence status of ALL drivers associated with your company, in easy to view email or screen results. Check anyone that drives any vehicle on company time, from sales staff to fleet drivers to subcontractors.

PMTC members will receive 10% off the VerX Direct published price list and a \$100.00 off the one-time Corporate Set-Up Fee when mentioning the offer code **"PMTC"**. *Act now and you will receive an additional \*\$100 off the Set-Up Fee. (offer \*expires March 30, 2011).*

For more information on setting up a DLV account today call Bob Dameron at 1.866.713.2001(x66) or by email at [bobd@verxdirect.com](mailto:bobd@verxdirect.com) or go to their website – [www.verxdirect.com](http://www.verxdirect.com). Feel free to call the PMTC office should you have any questions about this special offer.
