YOUNG LEADERS EDUCATION BURSARY

PMTC, in conjunction with CITT, each year awards up to two eligible PMTC members partial funding to complete the "PMTC Logistics Management Graduate Program". Covering the cost for two of the four courses sourced through CITT required to complete the course. Students have the option to complete the other two at any time and will be awarded a diploma from PMTC when completed.
Sponsored by Tenstreet

PMTC –KRTS PROFESSIONAL COMMERCIAL MOTOR VEHICLE DRIVER TRAINING SCHOLARSHIP

PMTC and KRTS award a PMTC member with a Professional Commercial Motor Vehicle Driver Training Scholarship which includes the costs to complete a full training program through KRTS, or another registered training provider should the candidate be from outside of Ontario. An intensive min 200 hour course, once completed, will arm the new Professional Driver with a high level of training, as set by the (PTDI) & (TTSAO) mandatory requirements.

PMTC/SIRIUSXM FLEET DISCOUNT DRIVER/EMPLOYEE As little as $4.99/Driver

MEMBER TESTIMONIALS

Members speak out on the Value of a PMTC Membership

"Linde Canada Inc. has been a proud, long time and active member of the PMTC for 15+ years. The PMTC has offered Linde invaluable insights and resources into the trucking industry. From unique networking opportunities to timely educational seminars, the PMTC has consistently demonstrated that they are truly tapped into an industry that is constantly changing and evolving. With that said, I believe the PMTC has truly demonstrated their passion and desire to make the industry better through the COVID 19 Pandemic. During these unprecedented times, the PMTC has provided both the industry and its members with 24/7 support through countless lobbying efforts, real time news updates, and access to best practices to keep fleets safe and moving during the Pandemic. It is this type of unparalleled leadership and guidance, that any member, large or small, can expect as being part of PMTC!" ***Jim Dimech, Linde Canada Inc.***

"We have received tremendous value as a member of PMTC over the years. Their educational seminars and Annual Conference are affordable and best in class in the transportation industry." ***Kim Richardson, KRTS***

"The PMTC is an invaluable source of information for our organization to understand the challenges our partners encounter to serve their customers. This can be through meetings, conferences, emails, website, or social media. The PMTC functions are also a great way to network with other members to gain more knowledge and what is new in the industry." ***Mike Kaslauskas, Penske Canada***

"We continue to be impressed with the benefits we receive from our membership with the PMTC. Not only are we kept informed of regulatory changes that affect our operations, we also turn to the PMTC as a reliable resource to provide answers to our specific operational questions that arise. Youth in the industry can grow professionally and personally from involvement in the PMTC Young Leaders Group. I have asked a lot out of our membership with PMTC and my expectations have been met and surpassed every time." ***CPC Logistics Inc***

"Volvo Trucks has been an active member and supporter of PMTC for a number of years. No other association can provide your fleet with professional representation for success along with ensuring a positive image in today's industry. If a fleet has 10 units or 100 units, all are welcome and represented equally. With 78% of private fleets operating less than 25 units, PMTC plays an important role in communicating and representing the issues of both the large and small fleets. Given today's regulatory changes, technology advancements and safety improvements, PMTC members enjoy being out ahead and well informed for success in today's environment." ***Steve Woodward, Volvo Trucks Canada***

"I Like the **PMTC** and I'm very happy that we are a member, they are very helpful and willing to find the info I need or direct me in the right direction if they don't have the answers I'm looking for." **Light Way Transport Inc, Isaac Loewen, Fleet Safety Manager**

MEMBER TESTIMONIALS

Members speak out on the Value of a PMTC Membership

"As a long term board member of the PMTC, it has provided me with a significant amount of knowledge and insight within the Trucking Industry over the years. The PMTC is always proactive when addressing any industry concerns and always supporting fleets to overcome any challenges they may be faced with. The information sessions, presentations, and conferences they provide are full of valuable information to help us all progress and stay ahead of the curve. What a great way to network with some of the top Fleets in Canada and gain their perspective and ideas on how to become one of them." Thank you PMTC for all you do for us.
Tandet Group of Companies, Dave Marvin, Director Equipment Services

"I joined PMTC because they champion both small and large fleets, offering tailored programs that truly support carriers. Their networking events create meaningful connections, and they provide a powerful platform where our voices are heard and taken seriously and then scripted to speak to all levels of government. PMTC's commitment to safety—helping carriers improve their fleets and making roads safer one driver at a time—is what makes them invaluable."
Canadian Tire Corporation Ltd, Mike Iasparro, National Transportation Safety & Compliance Manager

"The **PMTC** is a very valuable membership for any organization's transportation side of the business. The PMTC represents fleets of all sizes and combinations. The PMTC works with the industry, the provincial and federal governments to promote safer roads, drivers, vehicles, and carriers across the country. They are a great resource and open to supporting all their members. Our PMTC membership is and has been a very valuable tool in our transportation &safety toolkit."
Canadian Blood Services, Patricia Burke, CDS, Coordinator, Fleet Safety/ Driver Training

"Portland Fuel Canada has worked with the PMTC since 2019, helping its members to lock in long term diesel prices. We have always found PMTC to be proactive and engaging in its approach, bringing operators and suppliers together to forge strong partnerships."
Portland Fuel Canada, Jon Rosenthal, Group Marketing Director

"The PMTC has been a trusted partner for our fleet—delivering practical insights, advocacy, and a strong peer network that translates into safer operations and better decisions. The learning and connections we've gained have real, measurable value. "**Giant Tiger Wholesale (Tiger Trucking) James Johnstone, Head of Transportation**

"Our partnership with the **PMTC** has been invaluable. It connects us with industry leaders, keeps us ahead of regulatory changes, and supports true collaboration across the transportation sector. The PMTC's focus on safety, compliance, and innovation helps us deliver greater value to our customers, and we're proud to support an organization that raises the bar for the entire industry."
Grote Industries Co, Roger Gagne, National Fleet Manager
